

## MINUTES OF THE MEETING OF THE MILNER COMMITTEE

13<sup>TH</sup> FEBRUARY 2014

PRESENT: Revd Canon David Felix, Jemima Cornish, Lynda Hankey, Carole Hodgkinson, Sylvia Leitch, Helen Longmore, Dianne Ross, Thomas Rossmueller, Roger Squires, Pam Taylor-Floyd, Alan Thomason.

APOLOGIES: Hazel Harkins, Julie Priestner.

OTHERS PRESENT: Craig Foster, John Brown, Barbara Brown, Janet Gould, Jayne Jones.

After the Chairman opened the meeting and welcomed all present David said that before discussing the items listed on the agenda the meeting would first consider the objections raised by Barbara and John Brown regarding the location and use of the mobile fish and chip van parked in the Milner car park on Thursday evenings. A diary of events leading up to tonight's meeting had been prepared and circulated.

David gave the background to the situation and referred to the contacts and discussions he had held with John and Barbara. Their major objections were;

- a) They did not want the fish and chip van at all.
- b) The location of the van on the Milner car park.
- c) The smell originating from the van when frying.
- d) The noise from their generator.
- e) The volume of vehicles in and out of the Milner on a Thursday evening and parked on the road opposite their house, that included regular users on a Thursday evening and WI once a month.

The Chairman of the Parish Council, Craig Foster, was in favour of the fish and chip van continuing to be present on a weekly basis subject to:

- a) The operator complying with the necessary licences and regulations.
- b) The situation is regularly monitored with respect to litter and nuisance.
- c) Establishing whether the generator can be muffled to reduce the sound.

A full discussion then followed with many of those present contributing their views and opinions emphasising that this was very much a communal activity. At the conclusion a vote was taken, excluding Chairman David, as to whether the mobile fish and chip van should continue to operate from the Milner car park on a weekly basis. This resulted in an overwhelming vote in favour.

AFTERNOTE: Subsequent to the meeting it was decided that the van would be coming on Fridays rather than Thursdays.

David then referred to the agenda.
